We're Safe. We're Solid. We're Secure.

A MESSAGE FROM THE PRESIDENT

“With the recent financial crisis plaguing America, many homeowners and consumers are very concerned about the safety of their investments and loans. Please be assured that all our banking policies at WSFCU are based on solid, old-fashioned, sound banking practices. ***In addition, we have no subprime mortgages, no ties or investments with Fannie Mae, Freddie Mac and the others, and no investments whatsoever in the stock market.*** All IRAs, savings, and checking deposits are fully insured for up to \$250,000 by the National Credit Union Administration (NCUA), a U.S. government agency. Each year the NCUA conducts a vigorous audit on us, and I’m pleased to tell you that as a result of adhering to our strict fiscal standards, we never had a problem. Since 1960 we have been serving our customers in a most fiscally responsible manner. If you have any questions, please call Jacqueline Madden, manager or Ann Manchino, assistant manager. Thank you.”
